PROGRAM

About *us*

We are an agency specialized in cultural and work exchange programs. Our main objective is to offer young Dominicans the opportunity to travel to the United States and live a unique experience that combines three fundamental aspects: interaction with young people of other nationalities, cultural enrichment and work experience. Through our programs, we seek to make a positive impact on the lives of our students, improving their English language skills, developing job skills, and fostering invaluable independence and maturity. We are proud to offer our participants an enriching experience that will open new doors and opportunities. Join us and discover a world of possibilities!

What is the Teach USA?

The Teach USA program connects highly qualified and enthusiastic international teachers with host schools in the United States, fostering cultural understanding. The goal of the Teach USA program is to promote interaction and enhance mutual understanding between U.S. and international teachers.
